# History & Background

- 2023 will mark the 16<sup>th</sup> year for Crack up Cancer Comedy Benefit. In the previous 15, this lone event has partnered with Cure on Wheels, Inc. and Florida Cancer Specialists Foundation to provide nearly \$400,000 of support to local cancer patients and their families.
- In 2022, we expanded Crack up Cancer to two new markets: Fort Lauderdale and Fall River, Massachusetts. We will be partnering with Kendra's Kisses Foundation to provide financial support for families that have children with cancer; and the Looney Legacy Foundation that provides support for those with melanoma. Both of those events raised \$15,000 for people in need in those communities. We expect to return those events in 2024.
